

Serge Baluyot Jr. Curriculum Vitae

My personal objective is to expand my horizons and open up new opportunities. I'm looking to put my skills as a UI/UX Designer and Front End Developer to more positive use by working as part of a fun and dynamic team, where I can share ideas, learn new things and form effective relationships.

June 1999 - March 2003
Bachelor of Science in Computer
Science

Adamson University
June 1998 - March 1999 (*Undergraduate*)
Bachelor of Science in Architecture

OTHER INTEREST

In a nutshell, I'm a laid back but ambitious type and in my own admission a full on web geek. If I'm not busy creating something in Photoshop or writing some markup I'm surfing the web. When I'm away from the computer I like reading, writing, playing guitar and drawing when I can. I've got a strong interest in seeing new places and experiencing new cultures.
